Opportunity Description:

The County is seeking a contractor to design, supply and install two playground structures with swing sets and to supply and install a single swinging system as an addition to an existing playground.

The work details include, but not limited to:

- Budget available each play structure with swing sets - \$ 100,000.00 ea. maximum.
 - Budget available for separate swing set - \$27,500 maximum. The current playground has an eight-foot two bay swing, we are looking for an additional swing system. For example, a multi-user swing, tire, web, glider or saucer.
 - All sites are large and relatively flat, have existing playgrounds on them, so no size restrictions. See Schedule A for site details.
 - Existing playgrounds will be removed by Lac La Biche County.
 - Substrate to consist of Engineered Wood Fiber (EWF) to a depth to meet CSA requirement.
 - Structures to be bordered using plastic border material.
 - Contractor will perform all aspects of construction including, but not limited to,
 - Site excavation,
 - Removal of material,
 - Delivery of product,
 - Erection and installation of equipment,
 - Installation of substrate.
 - Clean up of site.
-
